Thank you to all who have sent in information. I try to get changes on the next amendment sheet, and rely very much on your help in getting details of anything new that turns up. This list is based on the June 2004 issue of the checklists, but should apply in most cases to earlier printings.

Checklists available as usual. Please note checklists now £2.50 each except 2A & 8A £2, with a basic charge of £1 towards postage for any number of lists.

Checklist of Fleury pre-1914 cards now available £2.50 + £1 towards post.
